NOTE FOR: DDS&T

FYI. Attached appears to be the DCI's reaction to your package. Have tasked DDO (who apparently did not get original tasking) to come up with something in coordination with you, as appropriate.

NOTE FOR: Deputy Director for Operations

FROM : EA/DDCI

SUBJECT : Covert Action Support Capability

1. I understand this DCI request may not have found its way to you. Could you coordinate with DDS&T, as appropriate, and come up with something by the time the DCI returns?

2. Understand Evan sent you a copy of DDS&T's proposals, which included a Career Service dedicated to covert action. FYI, DDCI opposes this idea.
